プロコース

Japanese Learning Course for JLPT N5 Level

You can master vocabulary, expressions, grammar, and conversation related to the JLPT N5 level!

Furthermore, in order to advance communication proficiency in Japanese, you can watch video clips that show actual N5 level Japanese being used in daily conversations. All of the narration contains English subtitles, so that those learning Japanese for the first time can freely study the materials.

In addition, for those countries unfamiliar with kanji, all of the Japanese is written in roman letters from Lesson 1 to Lesson 3, and all of the lesson examples are shown in English, so that all learners can study effectively.

*Recommended for such people

- Learners who understand English and whose native language is not Japanese (Essentials)
- Learners of elementary Japanese who have, to an extent, mastered hiragana and katakana (Essentials)
- Learners who want to take the JLPT N5
- Learners who want to study business Japanese
- Learners who want to be proficient in conversational Japanese
- Students enrolled in a Japanese language school or majoring in Japanese in college
- International students coming to Japan
- Foreign employees of a Japanese company who need Japanese language training
